---

Rule no 1) This is not DogChat.co.uk. Things are different here.

Rule no 2) Debate anything related to pets. Discuss anything related to any subject that takes your fancy. Don't get personal. Don't attack people for no reason. Don't act like a baby.

Rule no 3) Don't spam. If you want to promote something, PM Admin-Dan, the board moderator and ask if it's ok to post anything which has commercial overtones.

4) Just a reminder of rule no 1. This is not DogChat.co.uk, behave accordingly.

5) Have fun.

That's it.
